David,

This afternoon is already pretty booked up and as I stated in my email below I'm travelling tomorrow and Thursday. I don't think there will be time either day. I'd say Wednesday after 2 should be fine and anything after 9:30 on Friday should also work.

Soon Good Afternoon,

Can you email me please times this week that we can talk about the letter that we both received? With five of us trying to get together, may be like herding cats. I think the call may be in the 15-30 minutes range but hopefully shorter.

I'll forward your available time to Mary and Kurt.

Let me know today if possible please.

Thanks.
